9th Dec., 1919. ~~199, PICCADILLY,~~
~~LONDON, W.1.~~

6, JOHN STREET,
ADELPHI,
LONDON, W.C. 2.

Dear Sir,

I regret that owing to our having moved our offices from Piccadilly to the above address, there has been some delay in thanking you for your letter of the 17th October last, regarding the Hon. Secretary-ship of the Canadian Branch of the British Science Guild.

I am desired by the Executive Committee to ask if you will be good enough to convey to Sir Edmund Osler their sincere thanks for his kind offices in securing Dr. Macallum as Hon. Secretary of the Branch. The Committee will be much gratified to have the services of Dr. Macallum, and trust that under his direction the Branch may carry out useful work. I am writing direct to Dr. Macallum, who wrote from Ottawa on the 7th ult., stating his willingness to accept the position of Hon. Secretary.

With many thanks for the trouble you have taken in the matter,

Believe me,
Yours faithfully,

A. D. L. Lacey.
Secretary.

Sir Robert A. Falconer, K.C.M.G.,
President,
Toronto University, Canada.
